LT-32J300

32" Class (31.5" Diagonal) Full HD 1080p LCD

Combining an elegant new style and exclusive JVC picture technology, the all new J300 series is a perfect complement to any room in your home.

Features of JVC Full HD LCD Televisions

• 32" Class (31.5" Diagonal)

Full HD LCD – Featuring a brand new all glossy black cosmetic, our latest 32 inch LCD panel is now 1920 x 1080p for full HD resolution. It features high brightness, a wide viewing angle and a flicker-free high resolution picture that, coupled with

• 1080p High Definition LCD Picture Specifications –

- ✓ 3700:1 Dynamic Contrast Ratio
- ✓ 6msec Response Rate
- ✓ 500cd/m² Brightness
- ✓ 178° Viewing Angle

No Hassle HD Picture – An ATSC/Digital Cable input makes connecting to an HD signal a breeze. The ATSC tuner allows you to receive over-the-air digital terrestrial broadcasts with an antenna. The Clear QAM tuner allows you to receive unscrambled Digital Cable signals.

Picture Features – The J300 series is able to realize a competitively superior image because of the following features:

• Color Management –

Sophisticated, pin-point color sampling technology that helps compensate for color range limitations as well as color bleed and interference.

• 3D Y/C Digital Comb Filter w/Digital & MPEG NR –

This suite of filters helps reduce digital noise commonly found in digital broadcasts, DVDs and other less than perfect sources.

Black Level Expansion – This technology helps maintain blacks as dark as can be while retaining all the subtle details of the original picture.

• More Picture Features –

- ✓ Dynamic Gamma Control
- ✓ Natural Cinema
- ✓ Smart Picture
- ✓ 4 selectable Video Status modes: Standard/Dynamic/Theater/Game
- ✓ Color Temperature Control: Cool/Natural/Warm

Advanced Bitmap Menus – JVC's advanced bitmap menus combine a pleasing look with an enhanced user interface for a better JVC product. Both intuitive and descriptive, every feature is easy to use with step by step instructions.

• Connections for Current and Future Technologies –

- ✓ 3 HDMI w/HDCP Digital Video Inputs w/CEC
- ✓ 2 Component Video Inputs
- ✓ 1 PC Input (D-Sub 15 Pin)
- ✓ 1 S-Video & 2 AV Inputs
- ✓ 1 Optical Digital Audio Output
- ✓ 1 Fixed Audio Output
- ✓ 1 USB Input for Photo Viewer

USB Photo Viewer – With easy access on the side panel, connect your compatible USB mass storage device such as an Everio camcorder to display your favorite images in high resolution one by one or as a slide show.

• Sound Features Package –

- ✓ 20 Watts Total Audio Power
- ✓ Oblique Cone Speakers
- ✓ OmniSurround with preset listening modes: Music/Movies/News/Mono/Off
- ✓ Equalizer presets for: Speech/Jazz/Classic/Rock/User
