LED TV is part of the Toshiba LCD TV line.

¹Some features may require an always-on broadband internet connection, firmware update and/or additional bandwidth. Internet services available only in the United States. Third party internet services are not provided by Toshiba, may change or be discontinued at any time and may be subject to third party restrictions. Toshiba makes no representations or warranties about these services, which may require the creation of a user account through a computer with internet access and the payment of one-time and/or recurring charges.

²Use of HDMI®-CEC feature requires an HDMI®-CEC compatible peripheral device. Depending on the specifications of your device, some or all HDMI®-CEC functions may not work even if your device is HDMI®-CEC compatible.

³Requires content created in 24 frames/second.

⁴In some cases, the universal remote may not operate additional devices or certain features of such devices, in which case, it is suggested that you use the original remote control for the applicable device.

⁵If you decide to wall mount your Toshiba television, always use a UL Listed wall bracket appropriate for the size and weight of the television. Care should be taken to place or install the display where it cannot be pushed, pulled over, or knocked down.

PRODUCT DESIGN, DIMENSIONS, AND SPECIFICATIONS ARE SUBJECT TO CHANGE OR MODIFICATION WITHOUT NOTICE. PLEASE CONFIRM SPECIFIC FEATURES AND EXACT DIMENSIONS BY REFERENCE TO THE PRODUCT ITSELF.
