## Overview

The Mitsubishi 526 Series Integrated LCD HDTVs offer a high quality picture in a stylish compact cabinet.

The Mitsubishi QuickMotion™ LCD drive displays sharp, crisp, and clean moving images especially with fast moving scenes. SmartShutter™ technology displays deep blacks and improved dark scene detail. And Plush720p™ upconverts lower quality signals to deliver maximum clarity from every source.

ClearThought™ technology makes digital TV easy to use. The 526 series includes two HDMI™ inputs and two component inputs for flexible connectivity.

## Get the Perfect Picture Every Time

- Internal HDTV Tuner For Over-The-Air Or Non-Scrambled Cable Reception.
- Mitsubishi Exclusive LCD Light Engine
- SmartShutter™
- QuickMotion™
- Plush720p™
- PerfectColor™

## Watch TV Your Way

- ChannelView™ On-Screen Channel List
- 2 HDMI™ Inputs
- 2 Component Inputs
- Digital Audio Output for All Analog and A/V Sources
- Partially Illuminated Remote Control

Descriptions and specifications subject to change without notice. The dimensions are approximate for general information when deciding the locations and placements of the product. When creating a custom-built environment for this product, please take exact measurements from the specific unit to be installed before doing any finished carpentry. When installing the unit, allow for air circulation, ventilation, and variations due to manufacturing tolerances. The cosmetic appearance of the product may vary from that depicted here.
