

527 Series LCD HDTV

Models:
WD-52527
WD-62527

WD-52527 Shown

Overview

The Mitsubishi 527 Series Integrated Digital Cable Ready LCD HDTVs offer a high quality picture in a stylish compact cabinet.

The Mitsubishi QuickMotion™ LCD drive displays sharp, crisp, and clean moving images especially with fast moving scenes. SmartShutter™ technology displays deep blacks and improved dark scene detail. And Plush720p™ upconverts lower quality signals to deliver maximum clarity from every source.

ClearThought™ technology makes digital TV easy to use. The 527 series includes two HDMI™ inputs, two component inputs, and two IEEE 1394 ports for maximum connectivity.

Get the Perfect Picture Every Time
