# FP-T5094W

50" Widescreen Wireless Plasma HDTV with 1080p Resolution

## Specifications

**10,000:1 contrast ratio.** Two of the most important factors in overall picture quality, contrast and brightness, achieve new heights in these latest generation plasma panels.

**1920 horizontal x 1080 vertical pixel resolution** presents video and text with outstanding clarity and resolution.

**60,000 hour panel life.** Samsung's new panels are made to last longer, so you can be confident that the high picture quality will endure.

**Built-in HDTV tuner (ATSC/NTSC)**

**Picture-in-Picture (PIP)** enables convenient simultaneous viewing of TV and video or PC sources.

**DNie™ The Samsung Digital Natural Image engine.** This exclusive Samsung technology dramatically improves the picture by enhancing the contrast, detail, white balance and reduces noise.

**15-watts per channel built-in audio amplifier.** Powerful built-in amplifier to drive the integrated stereo speakers.

**2.2 channel dome speaker**

**Built-in 2-way speaker system**

**SRS TruSurround XT™.** TruSurround is a patented SRS technology that solves the problem of playing 5.1 multichannel content over two speakers. TruSurround delivers a compelling, virtual surround sound experience through the two-speaker internal playback system.

**Natural true color.** Samsung Plasma TV can display Natural True Color with 18 bit processing. And new algorithm adjusting color balance will let you enjoy the 'As-is color'.

**Silhouette editor** (false contour reduction) delivers clear images without contour lines.

**Front A/V ports** provide easy connections so you can connect a camcorder, digital camera, or any other digital device with no hassles.

**USB 2.0** connection for playing photo files or listening to MP3 files.

**V-Chip system<sup>1</sup>** allows blocking of rated TV and movie programs determined by the parent to contain objectionable content.

**Power saving** (off/high/middle/low)

**Trilingual on-screen displays** in English, Spanish or French.

**Favorite channel list**

**Auto Wall-Mount compatible:** 3-dimensional operation via TV's remote control; no external IR receiver required.

**Swivel stand**

## Quality

**2-year parts and labor warranty.**

Samsung's warranty is longer than most competitors for a reason. The product is built to last and provide years of trouble-free top quality enjoyment.
