The Net Connect series of Haier HDTVs provides instant access to endless entertainment and web content for TV. Consumers can stream movies, music, and more—wirelessly and straight to the TV, no need for additional devices. WiFi capabilities connect them to our expanding offering of apps like Netflix, Youtube, Facebook and more. Providing consumers even more convenience, this line features the One-Click remote for the most direct access to Netflix and Yahoo! Connected TV. Edge-Lit LED technology delivers enhanced contrast and color in an ultra-slim design, with lower energy consumption. Haier LED HDTVs earn the Energy Star label by meeting strict energy efficiency guidelines set by the EPA.

 DLNA certified™ digital devices enable easier file-sharing between compatible devices in your network for seamless, wireless sharing of content like photos, videos, and music files.

 WiFi Certified™ electronics are tested to high standards of interoperability, security, reliability, and ease of installation. USB WiFi (802.11 b/g/n) adapter included.

 Instantly watch TV episodes and movies on your Haier Internet-connected HDTV, as often as you want, anytime you want, for a minimal monthly fee.

 Offering on demand movies, TV shows, and rich web content, Yahoo! Connected TV enables you to interact with web content on your HDTV, all using your TV remote.

One-click access Haier Internet Connected HDTVs feature a universal remote control with One-Click access to Netflix and Yahoo! Connected TV.
