UN55C6800 55" LED High-Definition TV with 1080p Resolution

SPECIFICATIONS

Auto Motion Plus 120Hz: Samsung 120Hz technology allows you to see fast action with a smoothness that's clearly ahead of the competition.

1080p Full HD: Enjoy the powerful picture quality, vivid colors and stunning clarity of Full HD 1080p resolution.

Ultra Slim Design (1.1" deep): Stunning ultra slim depth – includes tuner (no external transceiver box).

Touch of Color™: Exclusive Touch of Color design combines texture and color that can complement any room.

Built-in digital tuner: no external box needed.

Exceeds ENERGY STAR® standards: LED Energy Efficient, up to 50% less than the latest ENERGY STAR® specification depending on series and screen size in standard mode.

See www.energystar.gov for more details.

FEATURES

Precision Dimming: Samsung's innovative Precision Dimming Technology delivers our greatest range of dynamic contrast and rich, bright color. You'll see whiter whites and deeper blacks, minus the "halo" effect, which occurs when light is diffused to such a degree that it distorts the image. Energy consumption is also reduced.

2010 Internet@TV Content Service*: Connect to an ever-expanding portal of your favorite digital content. Customizable widgets give you access to BLOCKBUSTER®, YouTube®, Flickr® and more – all on your HDTV.

Ultra Clear Panel: Advanced technology lets you enjoy crisp image details, natural skin tones, excellent shadow detail, and vibrant colors.

Wide Color Enhancer Plus: Delivers the entire spectrum of color and luminance for rich, saturated images with intense detail.

Light Sensor (energy saving)

AllShare™: Sync up your entire household. A wired or wireless DLNA® connection lets you stream your PC audio and video files to your HDTV using your remote.

ConnectShare™ Movie: Connect a thumb drive or digital camera quickly and easily. User-friendly interface allows access to videos, music playlists and pictures via the remote.

Game Mode: Enhances dark areas, sharpens the picture, speeds up the image processing response and enhances the sounds of your games. Picture and sound quality optimized for the special needs of gaming systems at the touch of a button.

Swivel stand

CONNECTIONS

4 HDMI® (High-Definition Multimedia Interface) version 1.3: 4 back
Anynet+™ (HDMI-CEC): Allows peripheral AV devices such as a DVD player to be controlled by a Samsung TV remote control.

2 USB: 2 back
1 Component video input: 1 back
1 Optical sound output: 1 back
1 PC input: 1 back
1 Ethernet: 1 back

AUDIO

DNSe™: Delivers high-quality sound with more natural effects than conventional methods by reproducing the "genuine" stereo sound.

**Dolby® Digital
DTS™**

15 Watts x 2 audio power stereo broadcast reception: Supports multichannel sound (MTS) and second audio program (SAP) with 181-channel capacity.

ACCESSORIES

2010 LinkStick™: Connect wirelessly to a world of digital content from Samsung. The LinkStick wireless LAN adaptor eliminates the hassle and cluttered look of wires.

Model number: WIS09ABGN

Ultra Slim Wall Mount: Hang your Samsung LED HDTV just like you hang a picture frame. At only 0.6" deep, it's as elegant as it is functional. The Ultra Slim Wall mount even uses a unique cord-and-disc system that keeps your walls and home neat and organized.

Model number: WMN1000B
