Is it a TV? Or something better?

There's no better LCD display technology than LED and the LE5350 delivers that along with a whole lot more. You can tap directly into instant movies and entertainment with NetCast and enjoy virtually no motion blur with TruMotion 120Hz technology.

You won't believe your eyes. Tired of dark scenes or dull colors? LG's Edge-lit LED technology delivers amazing clarity and color detail as well as a more energy efficient TV compared to conventional TVs.

Entertainment on tap. NetCast Entertainment Access brings the best Internet services direct to your TV—no computer required. Instantly access movies and TV shows, news and weather and the world's largest library of HD movies in 1080p.

Less blur. More action. TruMotion 120Hz technology lets you see sports, video games and high-speed action with virtually no motion blur. Now your TV can keep up with your fast-moving entertainment.
