- > True Deinterlacing

## Olevia 332H

The 32-inch Olevia 332H is the perfectly equipped and priced high-definition (HD)-ready LCD TV for your home or office. Featuring best-in-class video and audio, it is powered by the state-of-the-art PixelWorks® DNX™ (Digital Natural Expression) video processor technology, and features a super-wide 178-degree viewing angle, 1600:1 Dynamic Contrast Ratio, and fast response time. This means the 332H displays everything — high-definition digital TV and widescreen movies (up to 1080i resolution), standard analog TV, action sports, video games, and home videos — with stunningly crisp, rich and vibrant imagery. The 332H can even double as a computer display with support for resolutions up to 1360 x 768 through HDMI and VGA. The 332H's horizontal (or bottom) mounted speakers complement its surround sound audio processor, making theater-quality audio part of this outstanding new entertainment experience — all thanks to Olevia.

### Olevia 3 Series - *Quality For Those Who Spend Smart To Live Rich.*

The 332H is part of the Olevia 3 Series of LCD TVs designed expressly to deliver outstanding quality at an exceptional value. Vibrant image quality is paired with a sleek tunerless<sup>1</sup> design, making the Olevia 3 Series ideal for use with digital cable or satellite set-top boxes. The high-definition (HD)-ready TVs are perfect for home or office viewing in any non-networked entertainment environment. And, as with all Olevia 3, 5 and 7 Series TVs, the 332H features:

**Director's Image™** — calibrated 6500K color and a full range of brightness, contrast, color, tint, sharpness and mode controls available to tune image quality.

**Big Picture Technology™** — advanced technology displays up to 37% more of analog images and 11% more of digital broadcast images, without distortion.

**User Friendly On-Screen Display** — scrolling icon wheel simplifies use and features preset video and lighting modes for different environments and content types.

**Firmware upgradeable via USB** — the latest software updates and quality improvements available from the Olevia website, easily uploadable to your TV through its USB port.

**OleviaCare™** — live, in-house technical and customer support personnel assure a total quality experience — every time.

<sup>1</sup> The Olevia 3 Series 323V includes an NTSC tuner; all other 3 Series models are tunerless and are designed for use with digital cable or satellite set-top boxes.
