Olevia 342i

The 42-inch Olevia 342i is the perfectly equipped and priced high-definition (HD)-ready LCD TV for your home or office. Featuring best-in-class video and audio, it is powered by the state-of-the-art PixelWorks® DNX™ (Digital Natural Expression) video processor technology, and features a super-wide 178-degree viewing angle, 1600:1 Dynamic Contrast Ratio, and fast response time. This means the 342i displays everything — high-definition digital TV and widescreen movies (up to 1080i resolution), standard analog TV, action sports, video games, and home videos — with stunningly crisp, rich and vibrant imagery. The 342i can even double as a computer display with support for resolutions up to 1360 x 768 through HDMI and VGA. The 342i's interchangeable (side or bottom) mounted speakers¹ complement its surround sound audio processor, making theater-quality audio part of this outstanding new entertainment experience — all thanks to Olevia.

Olevia 3 Series - *Quality For Those Who Spend Smart To Live Rich.*

The 342i is part of the Olevia 3 Series of LCD TVs designed expressly to deliver outstanding quality at an exceptional value. Vibrant image quality is paired with a sleek tunerless² design, making the Olevia 3 Series ideal for use with digital cable or satellite set-top boxes. The high-definition (HD)-ready TVs are perfect for home or office viewing in any non-networked entertainment environment. And, as with all Olevia 3, 5 and 7 Series TVs, the 342i features:

Director's Image™ — calibrated 6500K color and a full range of brightness, contrast, color, tint, sharpness and mode controls available to tune image quality.

Big Picture Technology™ — advanced technology displays up to 37% more of analog images and 11% more of digital broadcast images, without distortion.

User Friendly On-Screen Display — scrolling icon wheel simplifies use and features preset video and lighting modes for different environments and content types.

Firmware upgradeable via USB — the latest software updates and quality improvements available from the Olevia website, easily uploadable to your TV through its USB port.

OleviaCare™ — live, in-house technical and customer support personnel assure a total quality experience — every time.

¹ The 342i comes with horizontal (bottom)-mounted speakers. With purchase of an optional conversion kit, the speakers can be repositioned to a vertical (side) configuration.

² The Olevia 3 Series 323V includes an NTSC tuner; all other 3 Series models are tunerless and are designed for use with digital cable or satellite set-top boxes.
