PN42B430 42" Widescreen Plasma HDTV

(42.3" (truncated) actual diagonal screen size)

SPECIFICATIONS

Mega Dynamic Contrast Ratio provides a new level of image performance in Samsung's latest-generation plasma panels.

New E-Panel technology

- **600Hz Subfield Motion** for clear motion pictures.
- **Response time:** A fast .001ms response time minimizes blurring of fast motion in sports programs and movie content

Built-in HDTV Tuner (ATSC/NTSC) with Clear QAM tunes off-air and unscrambled digital local cable channels

Game Mode: A push of a button enhances the image processing response and sounds of your games.

Single User Interface: on screen design

SRS TruSurround HD™ creates an immersive, feature-rich surround sound experience from two speakers, complete with rich bass, high frequency detail and clear dialog.

10 watts per channel (20 watts total)

Anynet™+ (HDMI-CEC): allows the TV's remote control to operate at the push of one button, peripheral AV devices such as a DVD player featuring HDMI-CEC.

ENERGY STAR® Compliant reduces energy consumption by up to 40% compared with prior year PDP TVs.

V-Chip¹ system: Allows blocking of rated TV and movie programs determined by a parent to contain objectionable content.

Intelligent Power Saving

Trilingual on-screen displays: Available in English, Spanish, or French.

Favorite channel list permits programming select channels and accessing them by touching the favorites button.

CONNECTIONS

REAR A/V CONNECTIONS

- **HDMI (Digital A/V):** 2
- **Component Video and Audio:** 2
- **Digital Audio (optical):** 1
- **Digital Audio (optical):** 1
