SERIES **7** PLASMA TV

63" Widescreen Plasma HDTV with Full HD 1080p Resolution

(62.9" (truncated) actual diagonal screen size)

ToC™  
Touch of Color

Enjoy premium plasma HDTV viewing in very large rooms, with an elegant style to match. Samsung's exclusive Touch of Color™ design accents the top and bottom edges of the bezel with a unique red tone. Our 63-inch plasma screen offers full HD 1080p resolution, Ultra FilterBright™ glare reduction, and an astounding 1,000,000:1 dynamic contrast ratio, for incredibly lifelike images and bold colors. Dither noise on Samsung's 7 Series Plasma TV's is dramatically reduced so that you can enjoy pristine, realistic dark tones and images. Plus, when connected to your home network enjoy access to a computer via DLNA networking and with the InfoLink feature; enjoy RSS web content from USA Today.

SERIES **7** PLASMA TV

63" Widescreen Plasma HDTV with Full HD 1080p Resolution

(62.9" (truncated) actual diagonal screen size)

## Specifications

**Touch of Color™ design.** Samsung's cutting-edge process infuses color into the black bezel resulting in a red accent that lines the bezel's top and bottom edges.

**Ultra FilterBright™ anti-glare technology:** Minimizes glare from ambient lighting while maintaining high image contrast and saturated colors on Samsung plasma TVs.

**ACE Silhouette Editor™** (false contour reduction) delivers clear images without contour lines.

**1,000,000:1 dynamic contrast ratio:** A 1,000,000:1 contrast ratio provides a new level of image performance in Samsung's latest-generation plasma panels

**Pre-loaded Content Library™:** exercise, children's "edutainment", cooking, image gallery, games.

**1920 (horizontal) x 1080 (vertical) full HDTV pixel resolution:** Presents video and text with 1080p (full HDTV) clarity and resolution.

**175° (H/V) viewing angle** for a visible picture from any angle

**Anti-burn-in Technology:** There are three modes available to reduce plasma burn-in:

- Auto pixel shift (user-programmable)
- Signal pattern processing function
- "All White" mode

**Built-in HDTV tuner (ATSC/NTSC) with Clear QAM reception** tunes unscrambled digital local cable channels

**DNle™ - Samsung's Digital Natural Image engine:** This exclusive Samsung technology dramatically improves the picture by enhancing contrast, detail, and white balance while reducing noise.

**15 watts per channel built-in audio amplifier:** A powerful built-in stereo audio amplifier that drives the integrated stereo speakers

**Direct down-firing speakers** provides ample sound with space saving cabinet design

**SRS TruSurround XT™:** TruSurround is a patented SRS technology that solves the problem of playing 5.1 multichannel content over two speakers. TruSurround delivers a compelling, virtual surround sound experience through any two-speaker playback system, including internal television speakers and headphones. It is fully compatible with all multichannel formats up to 5.1 channels.

**Natural True Color:** Samsung Plasma TVs can display Natural True Color with 18-bit processing, while a new algorithm for adjusting color balance enhances everyday TV programs and movies.

**DLNA compatibility** allows ethernet networking other CE devices like a computer to the TV. The TV's remote control navigates and controls the networked content.

**WiseLink™ Pro:** For playing MP3, mpeg and displaying JPEG files through the USB 2.0 connection on selected Samsung TVs.

**Infolink™:** Provides RSS feeds of customizable stock quotes, weather, and brief news articles on selected Samsung TVs. (Wired Internet Access Required).

**Entertainment Mode:** Allows customized picture settings that are optimized for different TV and video program content, such as sports, movies, games, etc.

**Anynet™ Plus (HDMI-CEC):** allows peripheral AV devices such as a DVD player to be controlled by a Samsung TV remote control.

**Side A/V ports:** Provide convenient and easy connections for camcorders, digital cameras, or other compatible digital AV devices

**V-Chip<sup>1</sup> system:** Allows blocking of rated TV and movie programs determined by a parent to contain objectionable content.

**Power saving settings:** Off/High/Middle/Low

**Trilingual on-screen displays:** Available in English, Spanish, or French.

**Favorite channel list**

**Swivel Stand**

## Quality

**1-year parts and labor warranty.**

The product is built to last and provide years of trouble-free top quality enjoyment.

## Connections

**HDMI – High Definition Multimedia Interface:** 4

**Component video inputs (Y,Pb,Pr):** 2

**WiseLink™ Pro (USB 2.0 MPEG)**

**Headphone**

**RS232C**

**Ethernet:** 1
