

VA421 LCD TV

Features

- 106cm (42") LCD Television
- Widescreen Aspect Ratio
- 600cd/m² Brightness
- 1200:1 Contrast Ratio
- 1366 x 768 Resolution (WXGA)
- HDMI Input
- Super-fast 8ms Response Time
- Built-in Speakers
- 3 year warranty

With the VA421 106cm (42") LCD TV, BenQ brings you the ultimate visual sensation, with picture quality you have never experienced before. The VA421 features a quick 8ms response time, video tuning technology for finest colour performance, and a High-Definition Multimedia Interface (HDMI™) technology for a digital picture experience. The VA421 is also HD ready, allowing compatibility with high definition video sources.

Featuring 10-bit colour processing, the VA421 processes 1.07 billion colours all at once, which amplifies the colour refinement and produces true and rich colours. With a 1200:1 contrast ratio, the VA421 processes bright and dark images more precisely, so that you can see every detail even in the darkest images.
