NJVISION® highdefinitionliving

47 LCM1 47" Deep Black 1080p LCD HDTV Monitor

42LCM1 42" Deep Black 1080p LCD HDTV Monitor

Entertainment on a Grand Scale

The NuVision 47 & 42 inch LCDs are true home theater entertainment on a grand scale. Their elegant, simple design with detachable bottom speaker sounds as good as it looks. With a mounting depth under five inches, it's a perfect fit that looks great wherever you put it in your home. 1080p capability doubles the resolution of ordinary 720p displays with no risk of burn-in or image retention and makes them compatible with the newest video source components emerging on the market.

NiDO Image Processing

NuVision Intelligent Digital Optimization is a comprehensive image processing system that includes sophisicated scaling, de-interlacing, noise reduction, film detection, 3-2 pulldown, 3D comb filtering with flesh tone and color processing. NiDO creates a film-like home theater experience from any video source and ensures crips, clean images and natural smooth motion that's virtually free from artifacts.

Deep Black LCD

NuVision Deep Black LCD technology produces incredible contrast and brightness combined with an excellent ability to produce subtle shades of grey which result in an accurate, realistic looking picture in day or night conditions. Scenes hold black levels while maintaining vibrant, accurate colors. Ultra fast response times means that fast motion scenes look smooth and natural.

Sleek Design

How a product fits your lifestyle is important and the NuVision goal is to create a modern design that fits your home. The thin profile lets you place it easily in any room on its aluminum stand or custom mounted on a wall or in a cabinet. The clean unobtrusive piano black gloss front bezel is complimented by the matte black back, sides and speakers. The rubberized paint on the remote control body fits the hand comfortably.

Functionality

A NuVision monitor is more than just a TV. It's also a computer monitor, a security screen and an entertainment center. You can watch TV and a baby monitor on the same screen. You can plug in your laptop for the biggest spreadsheet or video game you've ever seen. The addition of HDMI copy protected digital video input capability mean your NuVision set is compatible with the latest 1080p HD video components.

NuVision Warranty and Customer Support

These NuVision Displays is backed by a 2 year warranty which covers parts, labor and the LCD. To ensure consumers receive the best support with the best home set-up and installation options, NuVision products are sold and warranted exclusively through its network of NuVision authorized specialty retailers.

NuVision 47LCM1 and 42LCM1 Deep Black 1080p LCD HDTV Monitor

Description	Specifications *Specifications are preliminary and are subject to change without notice
DISPLAY	
Screen Size	12" and 17" 1090p Active Matrix TET Deep Plack I CD
Aspect Ratio	42" and 47" 1080p Active Matrix TFT Deep Black LCD 16:9 Widescreen
Native Resolution	1920 x 1080
Brightness	600 cd/ m2
Contrast	> 1000:1
Viewing Angle	176V / 176Н
Pixel Pitch	0.48mm 42" / 0.54mm 47"
Maximum Color	16.7M
Response time	<8ms
Video Processing - De-interlacing, Scaling	NiDO - NuVision intelligent Digital Optimization
Comb Filter	3D Y/C with recursive noise reduction
Film Mode	3:2 & 2:2 inverse pull down
Signal Capability	480i / 480p / 720p / 1080i / 1080p CIE: D/E00 (Marm) D7500 (Marmal) & 0200° (Capit all inputs & soon rates
Color Temperature (menu selectable) Picture Presets	CIE: D6500 (Warm) , D7500 (Normal) & 9300° (Cool) all inputs & scan rates soft/normal/bright/"user memory" by input
TV System	NTSC
AUDIO	
Speaker type	Detachable, 2 Way
Amplifier power	10 watt x 2
Surround System	BBE "VIVA"
Audio Mode Presets	User/Cinema/Music/News Bass / Trable / Balance
Tone controls	Bass / Treble / Balance
CONNECTORS	
AV Inputs	Composite RCA x 2, S-Video, 4-pin DIN x 1
Component Video	Y Pb Pr / Y Cb Cr, RCA x2
VGA In (with DDC2Bi)	D-sub 15 pin
HDMI (with Hi-Definition Copy Protection)	480i/480p / 720p / 1080i / 1080p × 2
Video Out	Composite RCA x1
PC Audio	Stereo 1/8" Mini Jack x 1
Audio In (RCA)	L/R RCA for S-Video/AV/Component x4
Audio out (fixed/variable via menu selection) Earphone Jack	L/R RCA AV out, RCA x1 Stereo mini Jack - 1
NuControl RS-232/IR Control Interface	Bi-Directional, D-sub 9 pin, IR Input & IP Pass Thru
Flash Memory update	via D-sub 9
FEATURES	
PC "auto" adjust mode	YES Main niv & auto niv quitabable among three groups: (UDMI) 0/G0 (YBrPh) (0)/1 2 (T)0
Picture-in-Picture & Picture by Picture Flesh Tone & Color Correction	Main pix & sub pix switchable among three groups: (HDMI) (VGA / YPrPb) (AV1-2 / TV) Yes
Input labeling (OSD)	Yes
Sleep Timer	off (total 180 minutes)
Wake up timer (clock)	Turns on to last input tuned
Multi language OSD	English, French, Spanish
Mara language 000	
View Modes (format control)	4:3, Panorama, Zoom, 16:9
