- 46" viewable image size

- 1366 x 768 native resolution

- 170° horizontal/vertical viewing angles

- 800:1 contrast ratio

- Fast 8 ms (G to G) response time

- 500-cd/m^2 brightness

- No image burn-in

A big, bright 46" LCD monitor ideal for high-visibility internal and external applications, the Samsung 460P features a spectacular high-contrast, burn-in free picture. In addition to wide 170° viewing angles and a world-class response time of just 8 ms (G to G), the Samsung 460P gives you a complete array of connectivity options. You can control up to 10 monitors from a single computer, and you can also create a towering video wall of up to 16 monitors without the need for any additional controllers.
