LT-46P300

46" Class (45.9" Diagonal) Full HD 1080p LCD

*Meet the perfect accessory for your beloved iPod —
the new P300 series exclusively from JVC*

JVC's P-Series LCDs with incorporated TeleDock for iPod

• 46" Class (45.9" Diagonal) Full HD LCD with TeleDock

– JVC's 2nd gen. TeleDock maintains its smart, flip down no wires dock for your iPod, but almost everything else is new or greatly improved for 2009:

- ✓ Menus and list views are now mirrored versions of what's actually on your iPod
- ✓ During music playback, song title, artist, album and genre are all displayed on the TV screen
- ✓ Connecting to a PC via USB, HDMI, or PC-in iTunes lets you view iTunes on the TV and sync the docked iPod
- ✓ You can view your iPod photos (or photos from another USB device) while listening to your iPod's music
- ✓ New cosmetics round out the improvements with a gloss black finish and new acrylic blue light diffusers

• **iPod Mini Modes** – Mini Mode compresses the picture size of your lower resolution iPod videos to look their best on the much larger HDTV. There's a mini mode for 16:9 and 4:3 sources.

Normal 16:9 iPod Content

16:9 Mini Mode

• 1080p High Definition LCD Picture Specifications –

- ✓ 20000:1 Dynamic Contrast Ratio
- ✓ 8msec Response Rate
- ✓ 430cd/m² Brightness
- ✓ 178° Viewing Angle

• **No Hassle HD Picture** – An ATSC/Digital Cable input makes connecting to an HD signal a breeze. The ATSC tuner allows you to receive over-the-air digital terrestrial broadcasts with an antenna. The Clear QAM tuner allows you to receive unscrambled Digital Cable signals.

• **Advanced Bitmap Menus** – JVC's advanced bitmap menus combine a pleasing look with an enhanced user interface for a better JVC product. Both intuitive and descriptive, every feature is easy to use with step by step instructions.

• Connections for Current and Future Technologies –

- ✓ 3 HDMI w/HDCP Digital Video Inputs w/CEC
- ✓ 2 Component Video Inputs
- ✓ 1 PC Input (D-Sub 15 Pin)
- ✓ 1 S-Video & 2 AV Inputs
- ✓ 1 Optical Digital Audio Output
- ✓ 1 Fixed Audio Output
- ✓ 1 USB Input for Photo Viewer

• **USB Photo Viewer** – With easy access on the side panel, connect your compatible USB mass storage device such as an Everio camcorder to display your favorite images in high resolution one by one or as a slide show. Connect your iPod to play your favorite tunes throughout the show.

• Picture Features Package –

- ✓ Dynamic Gamma Control
- ✓ 3D Y/C Digital Comb Filter w/Digital & MPEG NR
- ✓ Black Level Expansion
- ✓ Smart Picture
- ✓ Color Temperature Control: Cool/Natural/Warm
- ✓ Color Management System

• Sound Features Package –

- ✓ 20 Watts Total Audio Power
- ✓ Oblique Cone Speakers
- ✓ OmniSurround with preset listening modes: Music/Movies/News/Mono/Off
- ✓ Equalizer presets for: Speech/Jazz/Classic/Rock/User

• User Convenience Features –

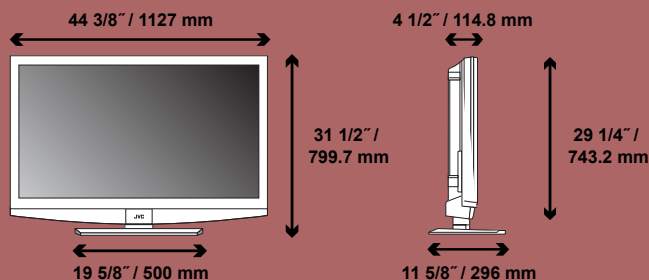

The JVC universal iPod capable remote also lets you operate the basic functions of your iPod as well as a host of other peripherals such as HTiBs, DVD player/recorders, Satellite Receivers, Cable Boxes, etc.

- ✓ 15 Selectable Video Aspect Modes
- ✓ Favorite Channel Memory
- ✓ Channel and Video Input Label capable
- ✓ 4 Picture Modes: Standard/Dynamic/Theater/Game
- ✓ Auto Demo Mode for Key Features
- ✓ User friendly instruction book
- ✓ ENERGY STAR® Compliant
