

# 528 Series LCD HDTV

Models:  
WD-52528  
WD-62528

WD-52528 Shown

## Overview

The Mitsubishi 528 Series of Integrated Digital Cable Ready LCD HDTVs feature a high quality picture in a stylish compact cabinet.

The Mitsubishi QuickMotion™ LCD drive displays sharp, crisp, and clean moving images while the SmartShutter™ system provides deeper blacks and better dark scene detail.

The 528 series also includes a host of advanced signal processing for maximum picture quality. SharpEdge™ technology creates clean, focused edges between objects and scene backgrounds. DeepField™ imager technology dynamically adjusts brightness and contrast within every scene. And Plush720p™ upconverts lower quality signals to deliver maximum clarity from every source.

With ClearThought™ technology, digital TV becomes easy to use. The 528 series includes two HDMI™ inputs, three component inputs, and two IEEE 1394 ports for maximum connectivity.

## Get the Perfect Picture Every Time

- Digital Cable Ready HDTV with CableCARD™ slot
- Mitsubishi Exclusive LCD Light Engine
- SmartShutter™
- Quick Motion™
- Plush720p™
- PerfectColor™
- SharpEdge™ (switchable)
- DeepField™ Imager (switchable)

## Watch TV Your Way

- 2 HDMI™ Inputs
- 3 Component Inputs
- IEEE 1394
- All-Digital Audio Output
- TV Guide On Screen®
- NetCommand® 5.0
- Fully Illuminated Remote Control
