LED TV is part of the Toshiba LCD TV line.		,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,	

'Some features may require an always-on broadband internet connection, firmware update and/or additional bandwidth. Internet services available only in the United States. Third party internet services are not provided by Toshiba, may change or be discontinued at any time and may be subject to third party restrictions. Toshiba makes no representations or warranties about these services, which may require the creation of a user account through a computer with internet access and one-time and/or recurring charges.

Viewing 3D content requires compatible Toshiba 3D glasses, compatible 3D playback device or 3D source, and 3D capable HDMI cable (all sold separately). Due to the possible impact on vision development, viewers of 3D program ming should be age 6 or above. Children may be more susceptible to health effects from viewing 3D images and should be closely supervised. Some viewers may experience a seizure or blackout when exposed to certain flashing images or lights contained in certain 3D television pictures or video games. Anyone who has had a seizure, loss of awareness, or other symptom linked to an epileptic condition, or has a family history of epilepsy, should contact a health care provider before using the 3D function of this product.

³Use of HDMI*-CEC feature requires an HDMI*-CEC compatible peripheral device. Depending on the specifications of your device, some or all HDMI*-CEC functions may not work even if your device is HDMI*-CEC compatible.

Requires content reated in 24 frames/second.

She some cases, the universal remote may not operate additional devices or certain features of such devices, in which case, it is suggested that you use the original remote control for the applicable device.

If you decide to wall mount your Toshiba television, always use a UL Listed wall bracket appropriate for the size and weight of the television. Care should be taken to place or install the display where it cannot be pushed, pulled over, or
