

LN32B540 32" High Definition TV with 720p Resolution (31.5" (truncated) actual diagonal screen size)

SERIES **5** LCD TV

Elegant style meets outstanding HD performance with the LN32B540. The 60,000:1 dynamic contrast ratio delivers bolder blacks and brighter whites, and the stunning images on the screen are more vivid and crisper thanks to Wide Color Enhancer 2 technology. More than just a stylish TV, with its "Piano Key Black" cabinet, it gives you greater flexibility with three HDMI connections, so you can hook up digital devices such as a gaming console, DVD player and satellite HD box, and a headphone jack, so you listen to it all in the privacy of your own headphones.
