

LN52B610 52" High Definition TV with 1080p Resolution (52.0" (truncated) actual diagonal screen size)

SERIES **6** LCD TV

Premium picture quality converges with the premium gray Touch of Color™ design. Experience stunningly realistic, full HD 1080p images with the LN52B610. We've added enhancements such as Auto Motion Plus™120Hz technology, that, along with 4ms response time, keeps even the fastest action running smoothly. Black tones and shadows stand out thanks to the 80,000:1 dynamic contrast ratio. A host of connections, including four HDMI inputs, let you bring digital devices such as a Blu-ray Disc® player and gaming console into play, while the USB 2.0 input lets you show off your favorite photos.

- SRS TruSurround HD™
- Watts per channel: 10W x 2

LN52B610 52" High Definition TV with 1080p Resolution (52.0" (truncated) actual diagonal screen size)

SERIES **6** LCD TV

SPECIFICATIONS

CCFL—Cold Cathode Fluorescent lamp

80,000:1 dynamic contrast ratio

Auto Motion Plus™120Hz: Advanced processing that reduces blur and enhances image detail when viewing fast motion video sequences.

HD-Grade 1920 (H) x 1080 (V) pixel resolution: High-resolution pixel density is combined with a built-in image scaler to handle inputs from a variety of digital and analog audio/video sources.

Touch of Color™ (ToC): Samsung's unique manufacturing process accents the surrounding bezel with a stylish gray tone

Response time: A fast 4ms response time minimizes blurring of fast motion in sports programs.

Widescreen aspect ratio

Built-in digital tuner: no external box

FEATURES

Wide Color Enhancer2: Optimizes a given color's hue, resulting in more natural rendering of colors.

Game Mode enhances dark areas, sharpens the picture, speeds up the image processing response and enhances the sounds of your games. Picture and sound quality optimized for the special needs of gaming systems at the touch of a button.

Energy Star® Compliant reduces energy consumption by up to 25% compared with standard TVs.

Crystal Neck Swivel stand

Single User Interface

CONNECTIONS

4 HDMI (High-Definition Multimedia Interface) version 1.3: 3 rear/1 side

Anynet™+ (HDMI-CEC): allows the TV's remote control to operate at the push of one button, peripheral AV devices such as a DVD player featuring HDMI-CEC.

1 USB 2.0 JPEG: side

2 Component video: rear

2 Composite inputs: 1 rear/1 side (shared with component)

1 PC input: rear

AUDIO

SRS TruSurround HD™ creates an immersive, feature-rich surround sound experience from two speakers, complete with rich bass, high frequency detail and clear dialog.

Watts per channel: 10W x 2

Bottom speakers

Stereo broadcast reception: Supports multichannel sound (MTS) and second audio program (SAP) with 181-channel capacity.
