HIGH-DEFINITION LCD TV

Rembrandt

HDTV 720P

Amazingly sharp details and vibrant colours all in a sexy package

With 720p display capability and a built-in digital HDTV tuner, our Rembrandt series delivers the sharpest details and the most vibrant colours all in a gorgeous piano black finish. You'll notice details, skin tones, and contrast you've never seen before. Images will look sharp and appear to pop out of the screen. All in a Rembrandt.
