Olevia 532H

If you're ready to move up to high-definition TV, the 32-inch Olevia 532H HDTV is the ideal choice for home or office — packed with the industry's top technology and innovative Olevia-first features. Featuring best-in-class video and audio, it is powered by ATI's state-of-the-art Xilleon™ video processor technology, and features a combo ATSC/NTSC tuner, super-wide 178-degree viewing angle, 1600:1 Dynamic Contrast Ratio, and fast response time. This means the Olevia 532H displays everything — high-definition digital TV and widescreen movies (up to 1080i resolution), standard analog TV, action sports, video games, and home videos — with stunningly crisp, rich and vibrant imagery. This 32-inch HDTV can even double as a computer display with support for resolutions up to 1360 x 768 through HDMI and VGA. The 532H's horizontal (or bottom) mounted speakers complement its surround sound audio processor, making digital (SPDIF) theater-quality audio part of this outstanding new entertainment experience — all thanks to Olevia.

Olevia 5 Series - Quality-Rich HDTV For Today and Tomorrow

The 532H is one of the Olevia 5 Series LCD HDTVs designed expressly to deliver outstanding quality and comprehensive features. Vibrant image quality, powerful digital tuner technology and built-in RS-232 control, for connection with a home entertainment system, make the Olevia 5 Series ideal for virtually any content and any environment — now and in the future. And, as with all Olevia 3, 5 and 7 Series TVs, the 532H features:

Director's Image™ — calibrated 6500K color and a full range of brightness, contrast, color, tint, sharpness and mode controls available to tune image quality.

Big Picture Technology™ — advanced technology displays up to 37% more of analog images and 11% more of digital broadcast images, without distortion.

User Friendly On-Screen Display — scrolling icon wheel simplifies use and features preset video and lighting modes for different environments and content types.

Firmware upgradeable via USB — the latest software updates and quality improvements available from the Olevia website, easily uploadable to your TV through its USB port.

OleviaCare™ — live, in-house technical and customer support personnel assure a total quality experience — every time.

532H
