FINE TUNE YOUR VIEWING EXPERIENCE

With picture performance that outpaces today's smaller flat panels, Mitsubishi Home Theater TVs offer a larger than life, intensely vivid viewing experience. In screen sizes ranging from 65" to 82", Mitsubishi Home Theater TVs deliver incredible picture performance and exceptional value, and completely define the large screen entertainment category with 3D Ready** viewing technology. They are highly energy efficient, consuming approximately one half the power of similarly sized flat panel TVs.

Mitsubishi's all new 837 Series are for customers who value performance above all else by offering an extensive list of features designed to give you complete freedom to fine tune your set.
