

ViewSonic® VPW425 Plasma TV

42" NEXTVISION® CRYSTAL-CLEAR PLASMA TV.

Elegance meets simplicity for your home or office.

The attractive design of the ViewSonic VPW425 42" plasma TV with **BUILT-IN TV TUNER** is ideal for your home or the boardroom.

ADVANCED SCREEN TECHNOLOGY BRINGS IMAGES TO LIFE with excellent brightness and depth. XtremeView™ performance with viewing angles up to 160° delivers vivid images with unmatched picture quality. Picture-in-picture and split-screen (picture-on-picture) capabilities make it easy to view multiple windows at once. Professional-grade features allow you to tailor images to your particular application.

Built-in virtual surround sound speakers and progressive scan technology round out the multimedia experience. For the home or office, the VPW425 gives you everything you need with a

CLEAN, ELEGANT DESIGN.

We've got you covered!

- ... Up to **THREE FULL YEARS** of coverage!
- ... **FREE** 1-year limited warranty
- ... **2ND AND 3RD** year extended warranty
- ... **New** on-site service

2nd and 3rd year extended warranty available for purchase in U.S. and Canada. A repair technician will be dispatched to your location within 48 hours* of your call, so you'll be up and running again in no time!

Features you need.

... Bright and beautiful at any angle

500 cdm² brightness (typ) and 550:1 (typ) contrast ratio ensure your images are brilliant, vivid and life-like. The flat screen and anti-glare screen coating eliminate image distortion and reflection for a stunning picture at any angle.

... Image is everything

Delivers bright, well saturated video images. 852x480 resolution shows every detail, making movies, TV and pictures crystal clear.

... Multiple window capability

Picture-in-picture and split-screen capability allow you to check your local news while enjoying a movie.

... Artifact-free movies

3:2 pull down automatically detects and converts film content to eliminate motion artifacts.

... Ultimate viewing versatility

You're in control with a built-in NTSC TV tuner and multiple TV and video inputs. View VHF/UHF and CATV.

... Multimedia stereo audio

BEE® sound maximizer delivers surround sound capability and an audio out connector that allows you to connect your TV to an external stereo system.

The big picture

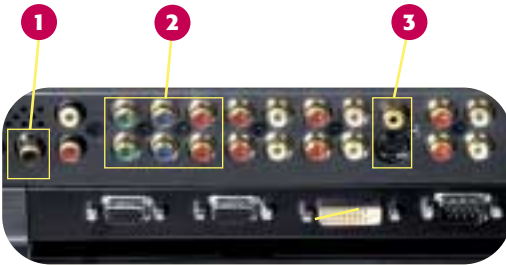

ViewSonic®
See the difference.®
